Deputy Director,
Higher Education ,
Kangra, Himachal Pradesh

Subject: Registration of District Schools on MY Bharat Portal for enhancement of Youth Engagement reg.

Sir/Madam,

Kindly find enclosed herewith the DO.Letter No.:-17011/315/2024-My Bharat dated:12.06.2024 jointly addressed by the Secretary, Department of Education and Secretary Department of Youth Affairs, Govt. of India to the Secretary ,Department of School Education of all states about the recently launched MY Bharat portal, an institutional mechanism designed to enhance youth outreach and build the capacities of young individuals. Schools and colleges, as knowledge institutions, are ideally positioned to leverage this platform to its fullest potential.

I want to bring to your attention the immense benefits that can be derived from registering our district's schools on the MY Bharat portal, a platform dedicated to fostering youth engagement and experiential learning.

The MY Bharat portal offers schools the opportunity to create dedicated web pages, which can serve as dynamic platforms for various educational and extracurricular activities. By registering on this portal, each institution within our district will be able to:

- 1. Create Digital Versions of Youth Engagement Events:** Schools can digitize any youth engagement events they wish to organize, making these events more accessible and interactive for students.
- 2. Organize 'Volunteer for Bharat' Programs:** Short-term volunteering opportunities can be easily created and managed through the portal, encouraging students to contribute to community service and develop a sense of civic responsibility.
- 3. Facilitate 'Experiential Learning' Initiatives:** Longer-term projects focused on experiential learning can be developed, providing students with hands-on experience that complements their academic learning

Additionally, youth participants will see their work and achievements reflected on their individual profile pages on the portal, further motivating their involvement.

In light of these benefits, we kindly request you to share this information with all schools in the district, encouraging them to register on the MY Bharat portal and make full use of its features.

Furthermore, I would like to highlight the upcoming 10th International Day of Yoga, celebrated nationwide on June 21, 2024. This event offers an excellent opportunity for our educational institutions to participate and promote health and well-being among students. Schools are encouraged to take part in Yoga Day and share their participation details on the Yoga Day page of the MY Bharat portal.

Therefore, you are requested to give necessary direction to all the Heads of the Schools of Distt, Kangra regarding, on boarding as a Knowledge Institutions & celebration of International Yoga Day on 21st June, 2024.

With Regards,

Dy. Director of
Higher Education
