Additional Deputy Commissioner cum District Consumer Protection Officer, Kangra  
Himachal Pradesh**Subject :** Application to start Consumer Protection Clubs in Educational Institutions of District Kangra .

Respected Sir,

With due respect I would like to bring your attention to the matter of consumer rights. Sir, almost 90% of the population of Himachal Pradesh lives in rural areas and many of the consumers are not aware about their rights and responsibilities. To bridge this gap, there is a need of awareness amongst youngsters of district Kangra regarding their consumer rights and duties who can spearhead this social movement further. A responsible consumer acts as an asset for a nation and we can ensure that by starting Consumer Protection Clubs in educational institutions of the district. Further, there is a need to collaborate and deliberate upon the consumer rights and related issues by roping in non governmental agencies and individuals as bottom up approach is the need of the hour.

Therefore, it's a kind request to start consumer protection clubs in the district and organise consumer rights centric deliberations and meetings at the earliest to build an AatmaNirbhar and Aware Bharat.

Thankyou,

Yours Sincerely,  
Raveesh Mrigendra
