

Copy of letter No: 585 SK/DM, Dated: 09.08.2024 received from the office of the District Magistrate, Kangra at Dharamshala.

Subject: - Regarding uploading School Disaster Management plans on the school safety Mobile app.

Concerning the critical task of uploading School Disaster Management Plans on to the **School Safety Mobile Application**.

Despite our repeated reminders and clear directives, it has come to our attention that there has been insufficient action from your office regarding this important matter. The state authorities have provided an update on the current status, which indicates a troubling level of non-compliance from the schools under your jurisdiction. The failure to meet established deadlines reflects poorly on the operational efficacy of your department.

This lack of adherence to deadlines and directives is unacceptable and undermines the objectives of ensuring school safety across our district. As a result, we are compelled to issue this final reminder to your office to expedite the necessary actions to comply with the state's instructions without further delay.

Please be advised that continued non-compliance will result in your department being held accountable for the consequences imposed by state authorities. We trust that you will take immediate and effective measures to address this issue and upload the school management plan in the **school safety app within two days** positively and prevent any further delay in the matter.

Yours faithfully

-sd-

Dr. Harish Gajju, HAS
Additional District Magistrate
Kangra at Dharamshala
