Subject: Regarding Student Attendance on Smart Upasthiti-live for effective implementation of VSK

As the student registry (2024-25) has been received from GOI/NIC, marking of Student Attendance on **Smart Upasthiti** has to be initiated for academic year 2024-25. With the completion of grade progression on the UDISE Portal, we now have an updated student registry for the current academic year 2024-25. The Student data has been updated for all 12 districts and we can now start with **marking Student Attendance** on the **Smart Upasthiti** so that monitoring of attendance can be done on real-time basis.

You are directed to make it mandatory to mark the attendance of teachers and students on Smart Upasthiti.

Principals/ Headmasters/ Head Teachers/Teachers can download the **SwiftChat** app from the Google Play store or scan the QR code given below.

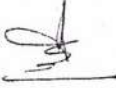

Please Scan the QR code below for the **User Manual** to understand the guiding steps to mark Student's Attendance.

I request your good self to pass the necessary directions to the **Principals/ Headmasters/ Head Teachers/** concerned officers under your jurisdiction, to ensure attendance of students and teachers on Smart Upasthiti daily.

In anticipation of your continued support.
