All the Principals/HMs

G.S.S.S., G.H.S. and Private Schools of District Kangra

Subject: Coordination with the teams visiting schools for updation of AADHAR.

Memo:

This is in reference to the directions received from the District Administration during the meeting of District Level Monitoring Committee for quarter January to March 2025 held on 28-02-2025 under the chairmanship of the worthy ADC Kangra.

In this context it is being informed that as per the observations of the committee there are many schools where the AADHAR information of the enrolled students is not updated which is also hampering the process of the updation of the APAAR Id generation. Moreover it was shared by the teams visiting the schools that certain heads do not cooperate with them. This has been viewed seriously by the district administration.

Hence you are directed to fully cooperate with these teams visiting your schools so that the process of the updation of the AADHAR of the students is carried out smoothly.

This is for your strict compliance in the matter.
