Distt. Kangra HP.

Sub:- Implementation of the Dress Code for teachers in the school.

Sir,

In compliance with the instructions given by Worthy Secretary Education Govt. of Himachal Pradesh, regarding adoption of Dress Code on volunteer basis in Government Schools, you are requested to motivate your teaching staff to adopt and consistently maintain a professional dress code.

A clearly defined dress code for teachers can have a transformative impact on our educational community. It sets professional standards, fosters a sense of unity, and serves as a powerful example for our students. A professional appearance in the classroom not only enhances the credibility of our educators but also reinforces the values we aim to instill in our students such as discipline, respect, and pride in their learning environment.

You are hereby directed to discuss the implementation of the decent Dress Code in your school with your team and all stakeholders, highlighting that the dress code is intended not as a restriction, but as a means to enhance the overall learning environment in the school. By adopting the dress code by the teachers of Govt. school before next academic session will definitely enhance the quality of education in our Govt. Institutions.
