All the Senior Secondary and High Schools of District Kangra

Subject: Proper Utilization of the Virtual Classrooms from the current session i.e. 2025-26.

Memo:

This is in reference to the letter received from the Directorate of Higher Education vide letter no. EDN-HE(14)3/2008-DDHE-Vol-II Dated 25 March 2025 on the subject cited above.

In this context it is being informed that the Department has ordered for the proper utilization of the Virtual Classrooms in the institutions having this facility. Hence from the current session, all the schools having the Virtual Classrooms have to ensure that these resources available with you are put to prime use.

All the schools having Web Conferencing Cameras, Microphones, LED Panels and such devices required for establishing a classroom environment virtually are directed to ensure to conduct these classes and maintain a record of these classes.

The schools may request for the conduct of virtual classes from other schools for a particular class when regular teacher(s) are on leave. Moreover different schools may arrange for special lecturers to be imparted virtually on a particular subject topic by subject experts regularly. The students may also be encouraged to interact with each other virtually by raising queries related to the subject topic.

Hence you are directed to ensure all the compliances from your end and ensure that the virtual classroom equipment, if available, is put to its optimal usage in your institution.
