Subject: - Regarding Training Program on School Safety App.

Memo,

This is w.r.t the letter No. DDMA/School Safety App-494 Dated 09th June, 2025 received from Deputy Commissioner Kangra at Dharamshala on the subject cited above.

It is brought to your kind attention that the *School Safety App* has been made mandatory for all Schools to upload their respective School Disaster Management Plans. However, the current compliance level in Kangra District remains significantly low. To address this, the District Disaster Management Authority (DDMA), Kangra is organizing a training program from 16th to 23rd June 2025 to facilitate the data uploading process through the app.

In this regard, you are hereby directed to *nominate one teacher from each school to attend this training (under concerned sub-division List attached)*. Preference should be given to teachers who are familiar with the School Safety App and basic IT skills. The nominated teacher is required to bring the following:

1. Smart phone with internet.
2. Relevant information and data as mentioned in Annexure-A.

The Subdivision-wise training schedule is enclosed as Annexure-B for your reference and necessary action.
