

No.EDN-KGR (G-II) BULD-2020-DWSM /2021-
Office of the Deputy Director of Higher Education,
Kangra at Dharamshala.

Dated: Dharamshala-176215 the,

19th June, 2025

To

All the Principals/ Headmasters,
GSSSs/ GHSs,
District- Kangra (HP).

Subject: Joint DO letter from Secretaries, Central Partner Ministers/Departments for the implementation of Jal Shakti Abhiyan: Catch the Rain-2025 (JSA: CTR-2025).

Memo:

This is w.r.t. to JSB-F/6/2024-JAL SHAKTI dated 6th May,2025 received from the Addl. Chief Secretary (Jal Shakti) to the Govt. of H.P. through worthy Director of School Education, Himachal Pradesh Shimla-01 vide letter No. EDN-H (9)-1/2005-RWH dated 6th June, 2025 vide which it has been directed that as per the direction of Govt. of India the existing school infrastructure may also be suitably retrofitted for conservation of water. Awareness and sensitization activities should be undertaken within schools to promote the understanding and importance of rainwater conservation among students and staff for successful implementation of JSA: CTR-2025.

Jal Shakti Abhiyan: Catch the Rain-2025 (JSA: CTR-2025) will be implemented from March, 22nd to 30th November, 2025 covering both pre-monsoon and post-monsoon periods in all districts (rural and urban) of the country, with special focus on 148 Districts identified by the Central Ground Water Board (CGWB) for intensive groundwater recharge and rainwater harvesting. The five focus interventions of the Campaign will be: (1) water conservation and rainwater harvesting; (2) enumerating, geo-tagging & making inventory of all water bodies; reviewing; and updating the scientific plans prepared at the district level for water conservation (3) Setting up of Jal Shakti Kendras in all districts (4) intensive afforestation and (5) awareness generation with the annual theme. In addition to

the five focus interventions, the special focus of the JSA: CTR-2025 campaign will be on 1) जल रंचय जन भागीदारी : जन जागरूकता की ओर' 2.0.2) 'जल-जंलग-जन-एक प्राकृतिक बंधन अभियान' for 13 River Basins.

- Department of School Education:

- i. Saturation of remaining Roof Top Rain Water Harvesting structures and Artificial Recharge Structures in the premises of all elementary schools.
- ii. Promotion of 'Jal Doot' scheme of students as Water Champions as advised earlier.

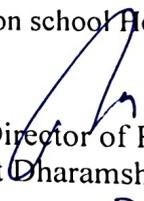

In view of above, you are directed to take immediate action to implementation of instructions as issued by Higher Authorities.

Deputy Director of Higher Education,
Kangra at Dharamshala, HP.
