Sub:- Regarding observing 2nd round of National De-worming day and Vitamin A on
23rd February, 2026.

Sir,

In continuation to this office endorsement No. EDN-KGR (Misc.) 2024 -20077-79-
dated 16-02-2026 regarding subject cited above. The 2nd round of National De-worming Day and
Vitamin A administration will be observed on 23rd February, 2026, with a mop-up round on 28th
February, 2026, for children who missed taking Albendazole on 23rd February, 2026.

In this regard, all Heads of Institutions are hereby directed to extend full support,
cooperation, and assistance to the National Health Mission to ensure the success of the program in
the state. Please follow the instructions mentioned below:

1. Appoint a Block Level Nodal Officer (only in BPOs wise Govt. Sr. Sec. schools) who will maintain all records and attend meetings with Block Officers/SDMs.
2. Do not give the tablet to take home.
3. Schools can collect IEC material from their nearby CMO/BMO office and display it in the school premises.
4. After administering the tablet, observe the child for at least 30 minutes. In case of an emergency, contact your BMO.
