Sub - Collaborative Support Strategies for Student Success in the New Academic Session.
Memo,

1. Anti Drug Squad -

In the beginning of session 2026-27, constitute the Anti Drug Squad in your school. At the time of admission take the undertaking from each student that the school premises is strictly prohibited zone for intoxicants and illegal substances." If any student found in such type of activities he shall face disciplinary action including expulsion from the school.

2. Rearrangement of Library-

In the beginning of the session all the school Heads are advised to exhibit library books in the ground. So that each & every student can see & read the books. Take some photographs of the students while reading the books & display these photographs on the wall of the library room. Keep library room neat & clean with proper seating arrangement.

3. Rearrange Laboratory Room -

Manage your Laboratory in decent way in the beginning of the session & display some photographs of students performing experiment in laboratory room. Keep all laboratory apparatus on the table so that students can be attracted towards science stream.

4. Zero Periods for few days -

In the month of April, allocate Zero period in which reading & writing skill of students can be enhanced. In this period you can talk about their aims or goals and ask them about their likes and dislikes in & outside of the school campus.

5. Personal touch to every student in respect of studies- -

School Heads will ensure that no class remain unattended as the some school teachers are engaged in evaluation of HPBOSE examination, admission of students, books distribution etc. Focus extra time on subjects like Math or Science, where missing one concept makes it impossible to understand the next topic. Give personal touch to every student in respect of their studies, so that every student could grow in future.

6. Games -

Encourage the students to participate in sports, athletics, NSS, NCC, Scout & Guide and cultural activities. Supporting students in choosing their preferred sport helps them grow both mentally and physically.

7. To maintain register for school complex system -

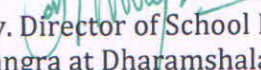

All complex school heads are advised to maintain a proper register of their complex schools in which all the detail of their complex school mentioned e.g. Total enrollment, vacancy position, time table, deputation of teachers etc.

8. Tracking of students after 10th & 12th class-

Maintain a proper record of outgoing students that in which course he/she wishes to take admission after 10th or 12th class. Keep all credentials of the outgoing students (i.e. Name, Father's Name, Contact Number etc.)

You are further directed to remain in regular contact with children & their parents to review their progress, provide feedback & encourage them to stay on track. A Register/ report should be prepared for each & every student in reference to changing trends in goals of students.

All the school heads are directed to implement these guidelines in letter & spirit.
