Subject:- Instruction regarding Govt. Schools having zero enrollment.

Sir,

It has come to the notice of the higher authorities that some Government Primary and Middle Schools are reporting zero students' enrollment. Despite this, staff continues to be deputed or posted in these schools, which is a matter of serious concern and reflects underutilization of manpower and other resources.

In this context, it is, therefore, directed that as and when the enrolment of any Government school falls to zero, the responsibility shall rest with the Complex School Head to take immediate and appropriate action for shifting/adjusting of teaching and non-teaching staff from these schools to the schools having higher enrollment or as per requirement. This shall also include, keeping the record of infrastructure, office record and all other stock items etc. of such schools, and remain under the custody of the Complex School Head till further orders. The concerned Complex School Head will ensure that all necessary actions are completed promptly and a detailed compliance report is submitted to the concerned Deputy Director of School Education without any delay.

These instructions must be complied strictly, failing which the concerned Complex Head and the concerned Deputy Directors (Secondary & Elementary) shall be held personally responsible for any consequences arising therefrom.
