Subject: **Instructions to use Field Testing kits (FTKs) in 2662 Schools of Himachal Pradesh Activities under Jal Evam Jalvayu Sanrakshan Programme.**

Sir/Madam

This is to inform you that Samagra Shiksha, Himachal Pradesh, is implementing the **Jal Evam Jalvayu Sanrakshan Programme** under the Innovation Project component.

The programme is being implemented in collaboration with the Jal Shakti Vibhag, Himachal Pradesh, in accordance with the **Memorandum of Understanding (MoU)** signed between Samagra Shiksha, Himachal Pradesh, and the State Water & Sanitation Mission (SWSM) on **29 March 2025**. The MoU provides for the procurement and distribution of **Field Testing Kits (FTKs)** to **2,662 Government schools**, comprising **30% of Government Senior Secondary Schools (596), 30% of Government High Schools (291), and all Government Middle Schools (1,775)** across the State. The Programme also includes **offline training sessions for one teacher from each of the selected 2,662 schools**. The list of selected schools is enclosed at **Annexure-A** for ready reference.

In order to further attain the objectives of the Jal Evam Jalvayu Sanrakshan Programme, all the selected 2662 Government Schools (GMS, GHS and GSSS) across the twelve Districts of Himachal Pradesh are directed to undertake Sustained Awareness, Education and Conservation Activities focusing on **Water Stewardship, Water Quality Monitoring, Climate Resilience, and Environmental Sustainability**.

The Following things need to be taken care of to implement the Program effectively:

**A. School Water Quality Team (SWQT) – Formation and Roles:**

To ensure the effective implementation of the *Jal Evam Jalvayu Sanrakshan Program*, every school shall constitute a **School Water Quality Team (SWQT)** responsible for Planning, Coordinating, Implementing, and Monitoring Activities related to Water Quality, Safe Drinking Water, Water Conservation and Climate Awareness.

**Composition of the School Water Quality Team (SWQT):**

The SWQT shall comprise the following members:

- Principal/Headmaster/Center Head Teacher (CHT) – Chairperson

- Nodal Science/EVS Teacher trained under the FTK Programme – Member Secretary
- One representative from the School Management Committee (SMC)
- Teacher In-charge of Eco-Club Mission LiFE
- Student Representatives (2–4 students)
- Support Staff Representative (Operations/Facilities)

### Roles and Responsibilities

The School Water Quality Team shall:

- Coordinate and oversee Water Quality Testing in accordance with the prescribed Testing schedule.
- Ensure the proper use of Field Testing Kits (FTKs) and maintain records of Test Results, Observations, and Corrective Actions Taken.
- Monitor the safety and hygiene of drinking Water Sources, Storage Facilities, and Distribution Points within the School Premises.
- Strengthen the linkages between Safe Drinking Water, Sanitation, Hygiene and Environmental Sustainability.
- Promote Water Conservation and Climate-Resilient Practices through School-based Initiatives and Activities.
- Lead Awareness and Behavioural Change Campaigns through Morning Assemblies, Exhibitions, Poster Competitions, Student Projects and other Educational Activities related to Water and Climate Action.
- Coordinate with the Jal Shakti Vibhag, DIETs, local administration, and other relevant stakeholders for technical guidance and support.
- Review water quality testing results periodically and facilitate timely corrective measures wherever required.
- Ensure timely submission of Reports, Testing Data and Documentation as per the prescribed Reporting Protocol.

### B. Water Testing in Schools

- **Frequency:**
  - Water purity shall be tested **three times** per academic year in school labs or using approved Field Testing Kits (FTKs).
  - To ensure continuous monitoring of drinking water quality, every school shall conduct water quality testing **three times during each academic year: Cycle I (April–May)** as a baseline assessment, **Cycle II (August–September)** following the monsoon season and **Cycle III (January–February)** as an end-of-year assessment.
- **Testing and Reporting:**
  - The trained teacher (Testing Lead) will conduct/coordinate testing and maintain records.
  - Principals/Heads/CHTs shall issue the official Water Purity Report after each testing cycle.
  - Submission: The report will be submitted to the concerned DIET and the Jal Shakti Vibhag, with a copy to the Sub-Divisional Magistrate (SDM) of the respective area.
  - Record register to retain at Schools.

### C. Awareness and Conservation Activities

- **Student Engagement:**
  - Weekly/fortnightly eco-club sessions on water footprints, rainwater harvesting, leakage checks, handwashing stations, and climate impacts.

- Thematic assemblies, poster/essay/slogan competitions, and science projects on water quality and climate resilience.
- Student-led audits: map water points, check for leaks, and track usage reductions.
- Campus Practices:
  - Fix leaks; install low-flow taps where feasible.
  - Promote bottle-filling points and covered storage.
  - Implement rainwater harvesting and groundwater recharge structures where possible.
  - Ensure greywater reuse for gardens, with hygiene safeguards.

#### F. Reporting Templates (Indicative)

- Water Purity Report:
  - School ID, Source Type (borewell/handpump/piped), Sampling date/time, FTK Parameters (pH, Turbidity, Residual Chlorine, Hardness, Iron, Fluoride, Nitrate, Bacteriological), Results vs permissible limits, Observations, Corrective Actions, Certification by Principal/Head.
- Activity Report:
  - Activities conducted, Participation numbers, Photographs/Evidence, Outcomes (e.g., leaks fixed, liters saved estimate), Partnerships engaged.

By institutionalizing the School Water Quality Team and following the Testing, Awareness, and Partnership Protocols above, Schools will strengthen Safe Water Access, Build Climate Consciousness, and Model Sustainable Practices for Students and their Communities.

It is therefore, requested to ensure effective implementation and monitoring of the Program across all Government schools in the district. For any further guidance, please feel free to contact us (Nandani Kanwar – 7807227413).

Yours faithfully,

Ashish Kohli (IAS)  
Director of School Education  
Himachal Pradesh, Shimla -1

Rajesh Sharma (IFS)
