Subject: Encouraging local academic institution to document and publish best practices under Jal Jeevan Mission 2.0.-reg.

Madam,

I am directed to enclose herewith a copy of letter No. W-JJM-/50/2026-JJM-VI-DDWS (32292) dated 20.08.2026, received from the Under Secretary, Department of Drinking Water & Sanitation, Ministry of Jal Shakti, Government of India, on the subject cited above and to say that Jal Jeevan Mission 2.0 has generated significant milestones at the grassroots level. With a view to enhancing community ownership and institutional learning, the Government of India has emphasized the following activities for immediate prioritization:

1. Documentation of Best Practices: Local colleges, universities and academic institutions may be actively engaged for studying and documenting successful village-level water supply models, technology adoption and decentralized governance practices, with suitable findings being encouraged for publication in academic journals, reports and websites.
2. Student Educational Tours: Field visits may be organized for Higher Secondary and Senior Secondary students to Multi-Village Schemes, including WTPs, Intake Wells and modern technologies such as SCADA/IoT, as well as NABL-accredited water testing laboratories.
3. Target and Timeline: It is required to ensure that at least one student educational tour and one case study/best practice are completed/published in each district of the State by the end of September 2026.

You are, therefore, requested to kindly facilitate the identification of suitable academic institutions, student groups, case studies and tour sites for the above
