This is to inform you that the online nomination portal for the **inspire-manak (Million Minds Augmenting National Aspirations and Knowledge)** scheme for the **academic session 2026-27** has been opened. The INSPIRE-MANAK Scheme, a flagship initiative of the Department of Science and Technology, Government of India, aims to foster creativity and innovation among school students by inviting original ideas with societal relevance.

Despite numerous instructions & guidelines, it has come to notice that some schools (especially GMS & GHS) are not following the directives. So all the schools Heads (GMS/GHS/GSSS) are once again directed to ensure their participation in INSPIRE-MANAK scheme. All schools registered under this scheme can nominate FIVE best ideas selected from their schools, within this limit of five nominations, a maximum of two student ideas from Classes 11 or 12 (Science stream only) can be nominated from one school through web portal (<https://www.inspireawards-dst.gov.in/>) or

Mobile App (<https://shorturl.at/um3IQ>)

The online nomination for **2026-27**, has been started from **15th July, 2026**. You are also advised to update the U-DISE code & submit the nomination well before the given deadline in order to avoid last minute inconvenience encountered due to heavy load in the E-MIAS web portal. During the nomination process double-check that each student's name precisely matches their bank passbook, and ensure the correct account number and IFSC code are provided. Additionally, schools which are not yet registered on the E-MIAS portal register their school immediately.

Additionally, schools which are not yet registered on the E-MIAS portal (www.inspireawards-dst.gov.in) register their school immediately. All school Heads of GMSs, GHSs and GSSSs must ensure their participation in INSPIRE-MANAK scheme. The Heads of the concerned schools will be fully responsible in case of non submission of the online nominations.

Any laxity in this matter will be viewed seriously.
